EB — Flanker back. Plays offensive halfback, but does not carry ball. Pass receiver only.
 PA — used most frequently for punting. PB — also punter.
 KA — kicks extra points and field goals. KB — reserve place kicker. KO — usually kicks off.
 OA — returns most kickoffs; place at left halfback position when receiving kickoffs. OB — use at right halfback on kickoffs and at left halfback when OA is injured.
 OC — also used occasionally at halfback positions on kickoffs.
 TA — return most punts; place at left safety position when receiving punts. TB — use at right safety on punts and at left safety when TA is injured.
 TC — also used occasionally at safety positions on punts.
ONLY THESE DESIGNATED PLAYERS MAY BE USED IN THE DEEP POSITIONS ON PUNTS AND KICKOFFS, UNLESS INJURIES REQUIRE OTHERWISE.
 Always use R-column for punt and place kick and kickoff returns unless another column is specified on the player card (TA-P, OA-K, etc.), then use P or K column as specified.
 Use KA or KB for kicking off unless a KO is specified.
 If the player who does the punting or the place kicking is not a back he must be placed at the fullback position for the kick play. The quarterback holds the ball on all place kicks unless he is the kicker. In which case the fullback holds it. On kickoffs the kicker may be at any of the eleven defense positions.
 Do not use a player at a position not specified on his card unless injuries make it impossible to field both platoons otherwise. A player may be used on both platoons if necessary or if customary. Defense backfield players whose cards show no offense position may be used to return punts and kickoffs if the kick return men are injured, but may never run from scrimmage on offense.
