Indianapolis beat Miami 31-27 in a huge upset. The Colts never trailed as their offense held it's own against the Dolphins high powered offense. The Dolphins had chances to jump ahead but Mark Clayton fumbled at the Colts 1 yard line and the ball rolled out of the end zone for a touchback. Later with the score 21-20 Colts the Dolphins fumbled the snap on a short field goal try. Dan Marino had a huge day as the Dolphins played from behind but his 436 passing yards and 3 TD passes were not enough.
